Commemoration of the 30th Anniversary of the LA Riots

SAIGU* COMMUNITY PARTNERSHIP PACKAGE

*SAIGU means 429 or April 29 (the date the LA Riots broke out) in Korean language.
The SAIGU Campaign

Almost thirty years ago, Los Angeles was torn and divided by the LA Riots that resulted in over 3,600 fires, 2,300 businesses destroyed, 53 lives lost, and over $1 billion in property damage (40% were incurred by Korean Americans.)

SAIGU means 429 or April 29 in Korean, the date the LA Riots broke out. The SAIGU Campaign for the 30th Anniversary of the Los Angeles Riots will revisit the tragic chapter of Los Angeles’ history for the purpose of promoting unity by hosting series of events including closing commemorative service on April 29, 2022.

Signs of Progress & Unity

In 2012, to commemorate the 20th Anniversary of the Los Angeles Riots, FACE launched the SAIGU Campaign. During the 7 month campaign, efforts were reignited to build trust and deep dialogue amongst different communities through various service projects and events. Over 1,500 leaders attended the final closing commemorative service with local, national, and international media coverage. Those in attendance included elected officials such as then-Los Angeles Mayor Antonio Villaraigosa, celebrities such as actor Edward James Olmos and Van Jones, the Los Angeles Police Department, Los Angeles Fire Department, various community leaders, ex-gang members, and those honored as Heroes of Hope. In 2017, we also hosted similar events which can be found in detail on www.saigu429.org.
Sign of Progress & Unity Cont.

Since 1992, the protests and rioting against police brutality especially after the murder of George Floyd to the growing racially charged hate crimes including rise in Anti-Asian hate crimes indicate there is much work to be done. It is vital that communities unite to fight against all injustices. Injustice anywhere is injustice everywhere. Now more than ever, we need to heal and see progress in bringing peace and unity to all impacted communities. Thus we are committed to transforming our pains from SAIGU to do good through our Serve Advocate Inspire Give and Unite (SAIGU) campaign.

The 30th Anniversary

For the upcoming 30th Anniversary, FACE will host a series of events, which include a Prayer Breakfast, two film screenings with discussions, racial reconciliation webinars, and other events leading to a final closing commemorative service to be held on Friday, April 29, 2022. With an expected gathering of over few hundred attendees, those attending will include local, state, and national elected officials, celebrities, law enforcement agencies, faith leaders, community leaders, business leaders, ex-gang members, victims and other stakeholders affected by the LA Riots. Various media groups from, English to ethnic media, will be contacted for coverage. FACE will also present Heroes of Hope award to honor leaders in the community who have brought hope to the city. Some past recipients are pictured to the right.

The film “chronicles how the riots affected the Korean American community, while analyzing the complex socio-political events before, during, and after the racially-infused catastrophe which claimed 55 deaths, more than 4,000 injuries, and $1 billion in property damage.” (source: IMDB) Korean subtitles will be available for the film. "For me, the LA Riots sparked my interest in running for office and winning my first elected position as a Member of the Inglewood City Council. It also reminds me of my responsibility and obligation to be the bridge over the ashes of ignorance that can bring power together to empower others. To that end, I thank FACE for keeping the torch of peace, prosperity and unity illuminated in the hearts and minds of all of the diverse members of our community."
