Councilmember John S. Lee
Council District Twelve

Dear Friends,

On behalf of the City of Los Angeles and the Twelfth Council District, it is my great pleasure to congratulate Faith and Community Empowerment (FACE) on the celebration of its 25th Anniversary. I am also honored to serve on the Honorary Committee for this special celebration and to join in recognizing this important milestone.

Since 2001, FACE has demonstrated an unwavering commitment to empowering families, expanding access to homeownership and economic opportunity, developing community and faith leaders, and uplifting underserved communities throughout Los Angeles and beyond.

Over the past 25 years, FACE has made a remarkable impact, helping thousands of families and individuals pursue pathways to homeownership, equipping faith leaders to better serve their communities, and providing young people with valuable internship and job training opportunities. Through strong partnerships with community leaders, organizations, and institutions, FACE has helped build bridges and create opportunities that have positively impacted more than 100,000 lives.

I commend FACE for 25 years of dedicated service and for its continued commitment to strengthening families and communities. Congratulations on this significant milestone, and best wishes for many more years of meaningful service and success.

Sincerely,

JOHN S. LEE
