Dear Friends,

It is my great honor to extend my warmest congratulations to Faith and Community Empowerment (FACE) as you celebrate your 25th Anniversary Gala, "*Shining Our Light: A Quarter Century of Faith, Unity, and Impact.*" I am proud to join you as a member of the Honorary Committee for this milestone occasion.

For twenty-five years, FACE has stood at the intersection of faith, opportunity, and belonging. Your mission to advance the Asian American community's participation, contribution, and influence has touched more than 100,000 lives. You have helped 17,000 families on their path to homeownership, protected \$92 million in homes from foreclosure, equipped 5,000 faith leaders to build stronger neighborhoods, and inspired hundreds of young people through leadership and internship programs. Behind each of these numbers are families who found stability and communities that found strength in one another.

As a Vietnamese American legislator and longtime advocate for Asian American and Pacific Islander communities, I know how much it matters when organizations like FACE open doors and build bridges. Your work reaches well beyond Los Angeles and serves as a model for communities across the nation, including here in Nevada.

Tonight, as you gather with community leaders, faith partners, and longtime supporters, I hope you take great pride in all you have accomplished. I especially commend President & CEO Hyepin Im, the Board of Directors, staff, volunteers, and partners whose dedication has made this legacy possible.

On behalf of the Nevada Assembly and the residents of Assembly District 8, congratulations on 25 years of shining your light. I wish you a wonderful celebration and many more years of faith, unity, and impact.

Sincerely,
