Dear Friends:

On behalf of the California State Assembly, congratulations to Faith and Community Empowerment (FACE) on its 25th Anniversary and this milestone celebration, "Shining Our Light: A Quarter Century of Faith, Unity & Impact."

For 25 years, FACE has worked to advance opportunity, expand access to homeownership, strengthen families, and build bridges through faith and community partnerships. The organization's work has connected more than 17,000 families and individuals to pathways toward homeownership, trained more than 5,000 faith leaders in community development, supported more than 600 young people through paid internships and job training, and impacted more than 100,000 lives across Los Angeles and beyond.

As FACE marks a quarter century of service, I commend the organization, its leaders, partners, and supporters for their enduring commitment to empowering families, developing leaders, and creating pathways to greater opportunity. This anniversary is a fitting opportunity to celebrate FACE's legacy of impact and the many communities it will continue to serve in the years ahead.

Congratulations on 25 years of faith, unity, and impact.

Sincerely,
